

HOPE

UGANDA

CHANCE

The hope of these children
is to last and to grow!

Uganda is one of the poorest
countries in the world.

Despite their indescribable poverty,
these children are merry. There are
about 2,500,000 AIDS orphans,
who do not have any chance,
unless they are supported.

Would you like to help children
in Uganda getting a chance to live?

OUR MISSION

Heart for Children is a registered association.

We are group of Christians who provide orphans in Uganda with an excellent school education. We want the children to understand the meaning of their lives. Our organization wants to reach as many orphans as possible.

Kimbilio is the Swahili word for refuge. Our school located in Osia is called **Kimbilio** – and this is what it is.

OUR SCHOOL

Since 2006 we have been building up our boarding school in Osia. The school grounds are home to about 400 children and grounds comprise 12 hectares.

Local teachers and staff take care of and teach our children in the Primary and Secondary School. One day, we want 1,000 children to have this opportunity.
